

Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 30 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Fine and dry conditions set to continue.

This Evening and Tonight:

Clear skies continue across the region through the evening and overnight, bringing a risk of some patchy mist or fog to prone areas. Staying dry throughout and feeling chilly in rural areas. Minimum temperature 4 deg C (39 deg F).

Monday:

Any early cloud and hill fog will soon clear, leaving another fine and dry day with plenty of sunshine except for the odd fair-weather cloud. Maximum temperature 24 deg C (75 deg F).

Outlook for Tuesday to Thursday:

Very warm and sunny on Tuesday, with light winds. More sunny spells and very warm again on Wednesday, with showers, occasionally heavy and thundery. Mostly fine but feeling fresher Thursday.
